## Supply Requirements for Band Students

All Woodwind students are required to have one tube of cork grease and two reeds in their case at all times. Reeds should not remain on mouthpiece when not in use and should be alternated day to day.

All Brass students are required to have one bottle of valve oil and/or slide grease in their case at all times. Valves should be oiled twice a week and slides should be greased at least once a week.

All percussion students are required to have two pair of snare drum sticks, one pair of hard mallets, one pair of yarn mallets, and a percussion stick bag for band class.

All of the items mentioned above can be purchased thru the band office.
